# A MESSAGE FROM THE PRINCIPAL

Dear Alumni:

Last evening my son and I had a great conversation. I say great because the questions he asked caused us to reflect on how wealthy we are. No, we did not review our bank accounts. We spent time reflecting on relationships he has made while here at Auburn. Friends, his friends' parents, and his teachers are his wealth. We realized how blessed he is for the rest of his life. No matter where he finds himself, no matter what life brings him, he is blessed with people who really care and desire true happiness for him.

As you spend time reflecting on your experience at Auburn, it is my prayer that you, too, can see how blessed you are in this world—to have made lifetime friends who truly desire to share life's experiences with you no matter where you find yourself today.

Auburn Adventist Academy was established in 1919. Over the years there have been many changes and many things that stay the same. Pictures give testimony of how the physical campus has transformed. Yet those pictures that show students in the classrooms and busy at jobs or active in their recreational activities show just how the campus has stayed the same. The mission has always been about friendships—friendships that encourage us; friendships to rely on; friendships that bring us closer to Jesus.

It is my prayer that as you review the pages of this book you will be reminded of those friendships. Our history as a school is rich and our greatest treasure is our friend Jesus.

Sincerely,

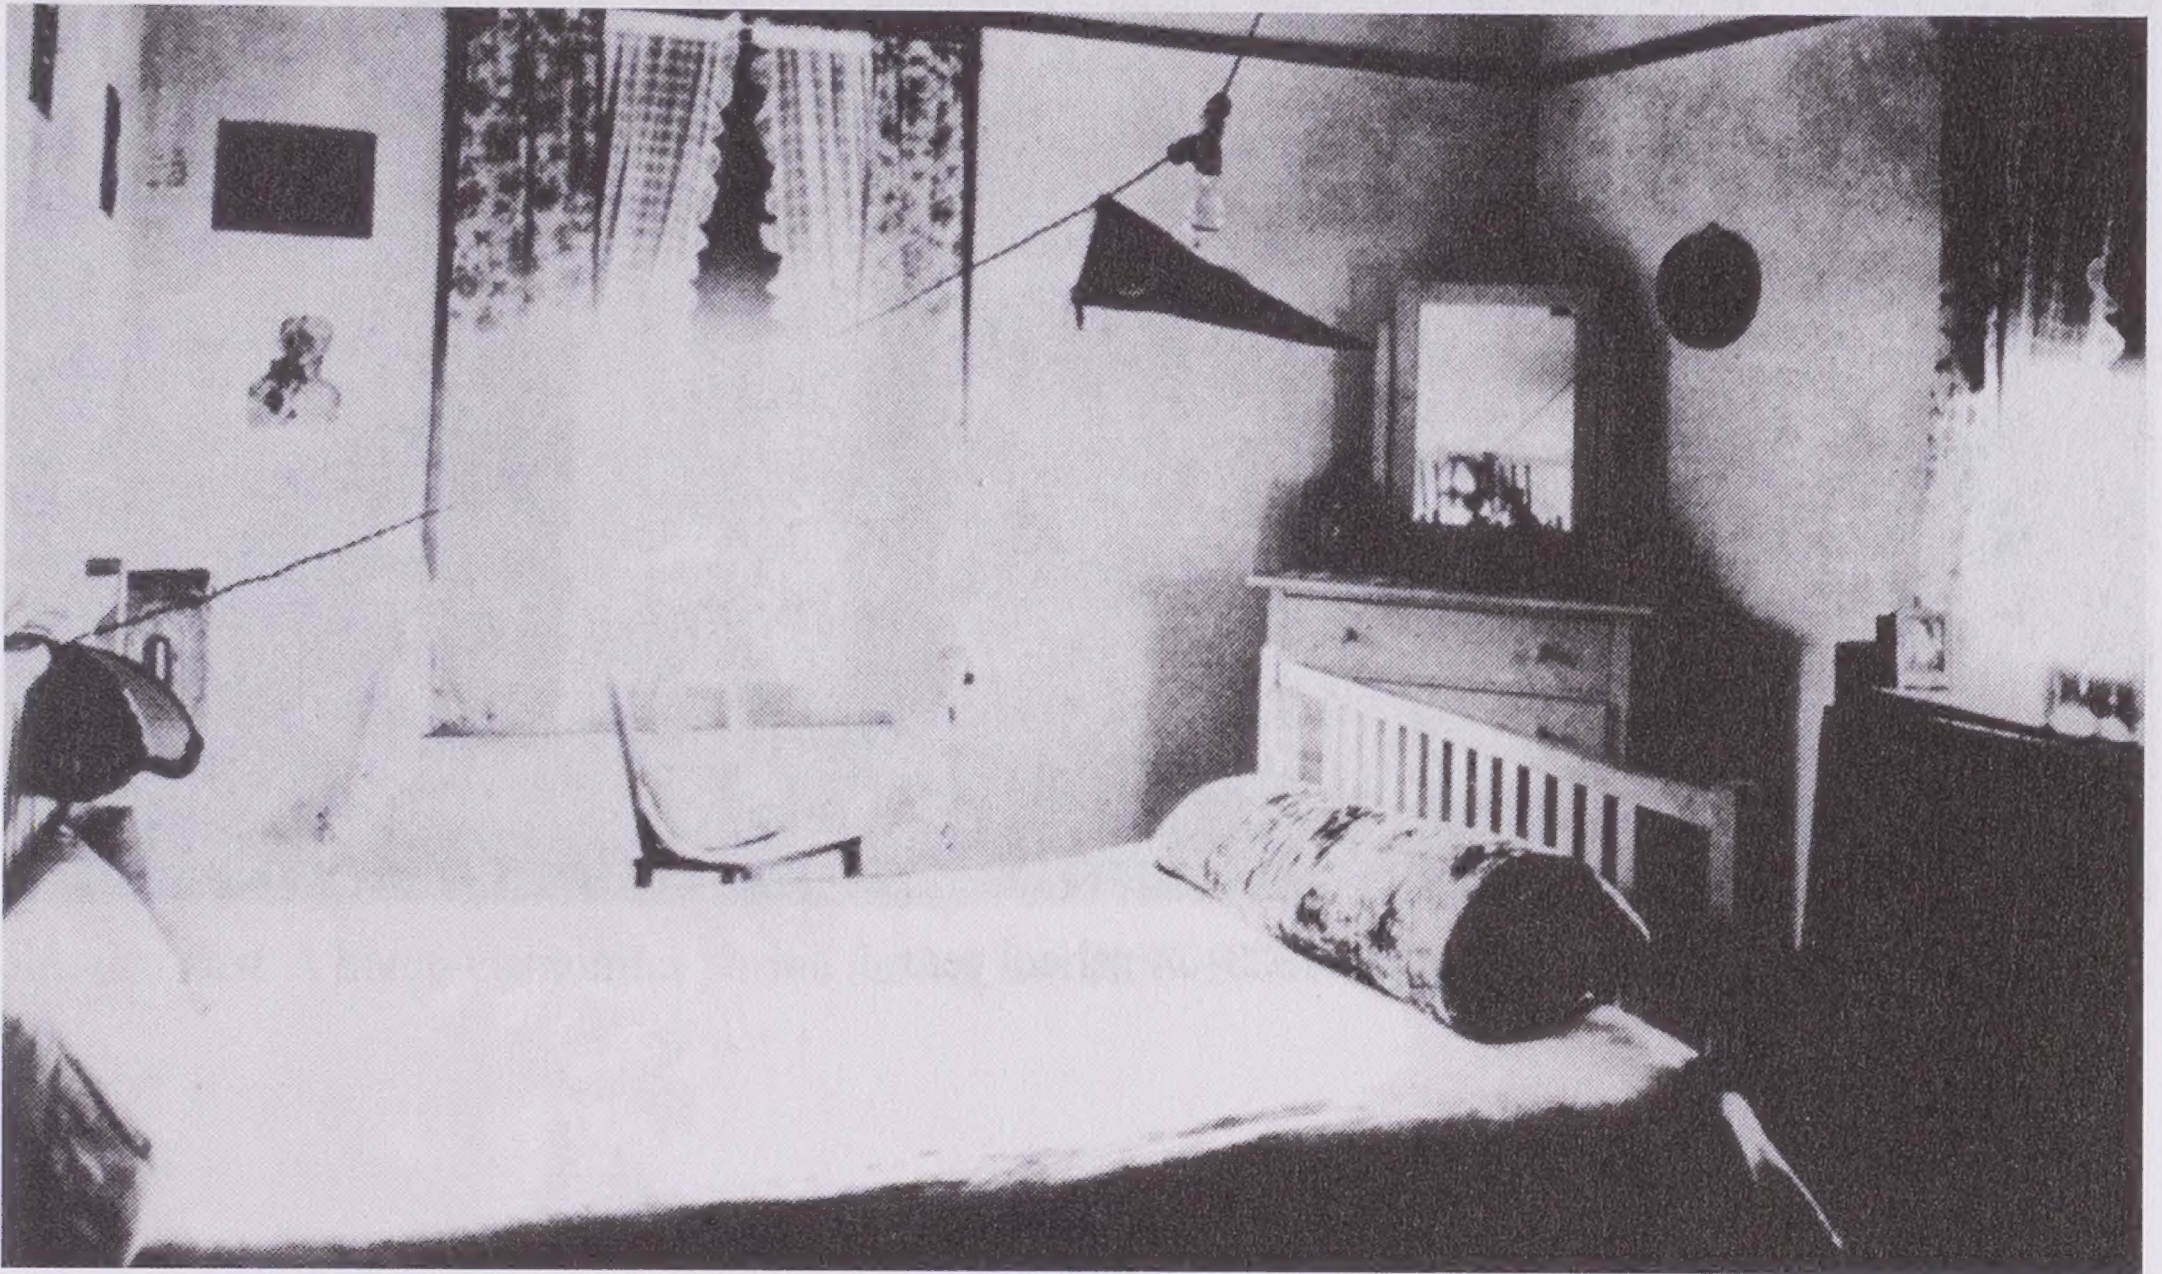

Keith L. Hallam
